

Tournament Rules

- A team consists of one or two fishermen
- Competitors are expected to follow high standards of sportsmanship, courtesy, safety and conservation. Any infraction of these fundamental sporting principles may be deemed cause for disqualification. Any act of a competitor which reflects unfavorably upon the effort to promote fisheries conservation, clean water and courtesy shall be reason for disqualification.
- Safe boating conduct must be observed at all times. All competitors must wear a Coast Guard approved chest type preserver any time the combustion engine is operating.
- Only artificial bait may be used. NO "LIVE BAIT" with the exception of pork strips, rinds etc.
- Every boat must have all Coast Guard safety equipment. In addition, it MUST have a live well space. Properly aerated to adequately maintain a live catch of bass by the fisherman using the boat.
- Fishing on tournament waters is permitted anywhere that is accessible to all contestants, EXCEPT within 50 yards of another competitor's boat which is anchored. No boat shall permit only selected anglers to fish within that 50 yard circle claimed by him.
- LATE IS LATE, NO EXCUSES. Any boat arriving at the check in site that is deemed LATE by the organizers of the event will be DISQUALIFIED. After proper recognition at the check in site, competitors will be given ample time to proceed to the weigh in site.
- There will be a four fish limit for either a one or two man team. Only largemouth and smallmouth bass at least 14" in length will be accepted. A courtesy measuring board will be provided. If a "short" fish is submitted, your team will be disqualified. NO QUESTIONS ASKED. All fish must be alive when submitted for weight. All judgments of "dead" shall be made solely by the tournament organizers. If a "dead" fish is submitted, it will not be counted toward that team's catch. No replacement for such fish will be accepted.
